The Appellant/promoter has filed the captioned appeals online challenging the common order dated 28.2.2018 passed by Learned Member & Adjudicating Officer. However, the Appellant did not file the hard copies of the appeal along with attachments. In the meantime, since the appeals were not listed for hearing the captioned applications were submitted by the Applicants who are the Respondents in the above appeals requesting thereby to dispose of the appeals expeditiously.

2. The appeals and applications as above were kept for hearing on various dates. Hearing was also adjourned from time to time and intimated to the Appellant to afford natural justice to the Appellant.

3. On all the dates fixed for hearing, Applicants remained present. However, the Appellant neither submitted hard copies of appeals nor attended any of the hearings since inception. From this, it is evidently clear that the Appellant is not interested in prosecuting these appeals. In result, the appeals stand dismissed for want of prosecution. Accordingly, the Misc. Applications as above filed by the Applicants stand disposed of without any further action.
